Since August of 1997 Island Park Catering has been serving a variety of catering needs to the Sunbury Social Club. We have become known for our homemade foods, including made from scratch, soups, salads, entrees and hors d'ouvres. We are now proud to offer some of our specialties for you to take with you for your home, office party or picnic. All of our selections are homemade and require a five day notice on orders. Most of our trays and platters are designed to feed approximately 25 people unless otherwise noted. Please make plans to pick up your selections at the Club, or delivery arrangements may be made depending on in-house catering functions for that day. Please take the time to look over the following selections, if you have questions regarding them, or you are interested in something not on the menu, please don't hesitate to ask.

Thank You
 Scott Thurston
