Thank you for considering the Sunbury Social Club for your upcoming event. The Sunbury Social Club has been a licensed club since 1904 and has been at our current location since 1933. Island Park Catering has provided the catering service since August of 1997. In those years we have done countless catered events ranging from small to large, simple to elaborate, and outside bar-b-ques to inside sit-down dinners. On the following pages of this pamphlet you will find some ideas for your upcoming special event.

But first some general information about our facility:

In the fall and spring of 2008 we are proudly adding some improvements to our upstairs banquet hall. The first of these improvements will be the addition of a multi-media system. This will include wi-fi capabilities, a digital projector with 8' x 8' video screen, 4 TV monitors and a brand new in-house PA system making the Sunbury Social Club a perfect place for your next meeting, seminar or any event requiring all the connections needed for your audio-video presentations.

The banquet hall of the Sunbury Social Club will comfortably seat about 225 guests with a dance floor and 275 guests without. We have a 50 guest minimum on the hall rental. Less than 50 guests may be subject to a \$100 service fee added to the catering bill. The rental fee for the hall is \$100 on Tuesday, Thursday and Sunday and \$150 on Friday and Saturday. The rental pays for all set-up and clean-up, bartenders, and 6 hours of time (not including decorating time). Any time over 6 hours will be charged \$25 per hour. Decorating may be done anytime on the day of the event, or you are welcome to decorate the day before depending on hall availability (alternate arrangements may be made to guarantee the halls availability). All food is provided on premises, no outside food is permitted unless a special dessert is required. All beverages must also be provided by the Sunbury Social Club. The hall features a stage for a band or sound system, ample space for a dance floor and head table, handicap accessible bathrooms, a bar with various soda, bottled beer, malt beverages and assorted liquors. We have plenty of parking for any social event in the lot across the street, an up-to-code wheelchair ramp, and a large front porch. The property line of the club stretches along the Susquehanna River creating a picturesque location for wedding photos or relaxing along the river. Our grove boasts a brand-new playworld playground to entertain your children and plenty of benches for sitting.

Our outdoor open pavilion is available for rental any day of the week for \$200. There is no time limit and our outdoor facility recognizes the same rules as indoors. All food and beverages are provided by Island Park Catering and The Sunbury Social Club, and we also enforce the 50 guest minimum with the same \$100 service fee added on the catering bill. Guests will be seated at wooden picnic tables, with all tables used we are able to seat 280 guests under roof. Our outdoor area also features a volleyball area, horseshoe pits and a courtesy dock for boats. Outdoor cooking is done on open fires making this a wonderful area for a casual, catered, trouble-free reunion, birthday party, company picnic or any party with a relaxed outdoor picnic atmosphere.

If your needs are for a smaller social event our downstairs dining room is available free of rental charge. The same catering applies with no minimum guests and a maximum of 75 guests. Availability of the room is determined around bar and dining hours, please ask for details.

Thank you for taking the time to consider our options for your special event. Please direct catering and rental questions to myself, Scott Thurston and bar and rental questions to our club manager, Doug Beaver.
